Leggi ebooks Cities of Tomorrow Carlo Aiello PDF, EPUB, mobi, How do we imagine the cities of tomorrow? This is one of the most difficult questions that architects, designers, and urban planners need to answer in a time where more than half of the world's population lives in urban settlements - a mere century ago only ten percent did.

Cities of Tomorrow examines innovative urban proposals that will transform the way we live; projects that preserve the natural landscape with integral architecture and urbanism with deep connections to site, culture, and environment. These are concepts of hybrid urbanism that offer a juxtaposition of programs to live, work, and play for a hyper-mobile population.
