The Speedmaster  
Identification Guide

English version

**Leggi ebooks e-Moonwatch Only - The Speedmaster Identification Guide (EN) Grégoire Rossier & Anthony Marquié PDF, EPUB, mobi**, This electronic guide is the perfect complement to the MOONWATCH ONLY BOOK. Its purpose is to support every OMEGA Speedmaster owner in any situation, particularly when travelling.

In this mobile guide, you won't find all the details or historical information that the authors have gathered into the original MOONWATCH ONLY book. Its focus is in a different direction: towards model identification, which is a key factor when searching for a Speedmaster. You will find a unique and user-friendly identification program, which allows you to identify any model from the standard production. Furthermore, you will be able to discover the whole production of Speedmasters, exhaustive summary tables, as well as the classification of all the standard components from 1957 to modern day.
