Éloge des frontières

**Leggi ebooks Eloge des frontières Régis Debray PDF, EPUB, mobi**, 'En France, tout ce qui pèse et qui compte se veut et se dit sans frontières. Et si le sans-frontiérisme était un leurre, une fuite, une lâcheté? Partout sur la mappemonde, et contre toute attente, se creusent ou renaissent de nouvelles et d'antiques frontières. Telle est la réalité. En bon Européen, je choisis de célébrer ce que d'autres déplorent : la frontière comme vaccin contre l'épidémie des murs, remède à l'indifférence et sauvegarde du vivant. D'où ce Manifeste à rebrousse-poil, qui étonne et détonne, mais qui, déchiffrant notre passé, ose faire face à l'avenir.' Régis Debray.
