Written in his trademark plain English, this jargon-free book takes you through everything you need to know to start trading the foreign exchange market.

Some of the things you will learn from How To Day Trade Forex For Profit include:

- What money really is, and how currencies work.
- What makes currency prices move, and how you can use that information to make money.
- Precise trading setups you can start using right away.
- How to create your own profitable trading setups to give yourself an edge.
- The tricks your mind is playing on you when you trade, and how to turn them to your advantage.

The book is packed with detailed examples and is illustrated throughout. It assumes no prior knowledge, and leads the reader from first concepts right through to opening a broker account and making live trades.

A small selection of praise for the author's previous book:

"This is by far the best course I've ever read. I paid over \$5,000 for seven days of school for day trading. It does not even come close to what you are teaching."

"You are an amazing trader and a very gifted teacher. I diligently studied your book. You opened my eyes to a whole new world of possibilities."

"I've worked in the world of training for almost 20 years and I have to say I have found your training manual to be one of the most comprehensive and straight forward that I have ever read."
