Leggi ebooks Islanda Daniele Cadore PDF, EPUB, mobi, Questo libro offre una visione dell'Islanda grazie alle immagini, più che attraverso le parole.

L'Islanda è una terra talmente affascinante che si fatica davvero a trovare le frasi giuste per raccontarla. Proprio quando si sente la necessità di narrarla, si tira fuori la macchina fotografica, si monta l'obiettivo e si cominciano a scattare quelle foto che daranno il giusto merito a paesaggi superlativi ed emozioni incredibili.

L'isola viene descritta seguendo un itinerario (in senso antiorario partendo dalla capitale) lungo la Ring Road, l'unica vera "autostrada" (a tratti non asfaltata!) che gira tutt'attorno al Paese. Le foto sono corredate da informazioni turistiche, così come i luoghi d'interesse sono accompagnati da indicazioni su come raggiungerli. Il libro termina con le informazioni indispensabili per cavarsela in Islanda.

Buon viaggio.
