Tale cane, tale padrone è il libro di Valeria Rossi e Lorenzo Pergolini che indaga il rapporto tra cane e padrone con occhio divertito ma competente, e critico ma propositivo. Un libro sicuramente dissacrante ma anche assolutamente "solido", perché basato sull'esperienza pluriennale degli autori di osservazione di cani e umani nella loro relazione reciproca.

L'educazione del cane non si deve improvvisare né si può sottovalutare: questo libro pone i fondamenti imprescindibili per riconoscere i punti di vicinanza e comunione, e smascherare i punti deboli della relazione tra uomo e cane; solo così la convivenza con l'amato quattrozampe sarà serena e appagante dentro e fuori le mura di casa."
