When Caleb Wardell, the infamous 'Chicago Sniper', escapes from death row two weeks before his execution, the FBI calls on the services of Carter Blake, a man with certain specialised talents whose skills lie in finding those who don't want to be found. A man to whom Wardell is no stranger.

Along with Elaine Banner, an ambitious special agent juggling life as a single mother with her increasingly high-flying career, Blake must track Wardell down as he cuts a swathe across America, apparently killing at random.

But Blake and Banner soon find themselves sidelined from the case. And as they try desperately to second guess a man who kills purely for the thrill of it, they uncover a hornets' nest of lies and corruption. Now Blake must break the rules and go head to head with the FBI if he is to stop Wardell and expose a deadly conspiracy that will rock the country.

Slick, fast-paced and assured, THE KILLING SEASON is the first novel in the gripping new Carter Blake series.
